

Working Together:

A training conference for child welfare, early care and education, and housing and homeless service providers in DuPage, Kane, and Will Counties

Have you ever tried to navigate an unfamiliar service system? Do you work with families and young children who experience homelessness and housing instability or are involved in the child welfare system? The Illinois Department of Children and Family Services and the Ounce of Prevention Fund, together with local planning partners in and around DuPage, Kane, and Will Counties, invite you to learn more about how the child welfare, early care and education, and homeless services systems can work together to support families. Bring your business cards! In addition to providing overviews of each service system, this training will provide an opportunity to network and make important connections that will benefit the families you serve!

Date: Friday, June 1 from 9:00 AM to 4 PM (on-site registration begins at 8:30 am)

Location: Edward Hospital Athletic & Event Center, 55 Phelps Ave., Romeoville, IL 60446
