Subject: 2022 Notice of Request for CoC Proposals
Attachments: 2022 NOTICE OF REQUEST FOR COC PROPOSALS.pdf; 2022 CoC Schedule FINAL 1-31-22.pdf

Dear DuPage County CoC Members:

The DuPage County Continuum Leadership Committee is starting the application and selection process for HUD's 2022 Continuum of Care funding for both new and renewal projects. While the amount of funding available has not been announced, last year the DuPage County Continuum had an annual renewal amount of approximately \$5.1 million.

This is an open invitation to apply for funds in the 2022 competition. There are two attachments – the Notice of Request for CoC Proposals for 2022 and the CoC Application Schedule. Please read both for details on the rating and review process, meeting dates, and important deadlines.

All applicants will be required to submit their application and documents through an online application portal. Please note the CoC will be using Neighborly beginning with this year's application process. A brief tutorial on how to register and utilize the Neighborly online workflow can be found at <https://dupagehomeless.org/resources/coc-training-resources/>. Additional assistance can be requested by contacting continuum@dupageco.org.

There will be a two-step process. First, applicants will complete a brief Project Performance Evaluation (PPE) questionnaire in Neighborly. The PPE questionnaire must be completed in Neighborly by March 25th, 2022. Secondly, once approved, applicants will move forward to completing a Business Plan and Cost Forms using the same online application portal.

Below is the link to the Neighborly portal for any interested applicant to register and complete a 2022 Continuum of Care Preliminary Project Evaluation if applying for funding. **Note that prior to starting the application, all applicants MUST register in Neighborly FIRST.**
