RE: NOTIFICATION OF 2022 PROJECTS REJECTED AND REDUCED

The DuPage Homeless Continuum completed the project selection and tiering process on August 24, 2022. The DuPage Homeless Continuum evaluated closely the actual funds expended and outcomes of all renewal projects to determine performance and make decisions regarding project reductions. There were no project reductions to existing renewals or reallocations of existing renewal projects.

Projects Rejected

There was 1 project rejected. The DuPage PADS Hope Place Permanent Supportive Housing (PSH) Expansion was rejected due to lack of any remaining funds in Tier Two. The PSH expansion was the lowest scoring application of the new projects. The PSH beds were a lower priority because the DuPage Housing Authority is allocating Mainstream vouchers and Emergency Housing Vouchers to expand PSH beds.

Projects Rejected	Score	Project Amount	Approved Funding Amount	Reason
Hope Place PSH Expansion	60.7	\$ 439,920	0	Lack of funds in Tier Two and lower priority due to availability of emergency housing vouchers for permanent supportive housing.
